PICTORIAL ARTIST SEASONAL

Disneyland Resort – Anaheim. Temporary. \$31.45/hr. - Availability to work early-morning shifts, Monday-Friday (including any holidays), with occasional shifts on Saturday and Sunday with work occurring during 2nd or 3rd shift, as needed. Work duties include daily field-work at the attractions, to sustain the show-quality levels of existing assets, as well as in-shop work for assets being overhauled and occasional work on new assets while following art direction.

Pictorial maintenance of attractions, restaurants, and merchandise locations (interior and exterior) throughout Disneyland® and Disney's California Adventure (or any other locations that may be requested – Disneyland Resort Hotels, etc.). Will travel to sites via cart or bicycle while transporting craft tools and supplies. May climb ladders and stairs, use scaffolding and maneuver around attractions. Painting of murals, props, sets, or figures, as needed or requested, for window displays, new projects, attractions, etc. Requires periods of standing, kneeling or sitting while painting. Logging of volume of the materials used (in keeping with environmental regulations pertaining to VOCs). Provide portfolio for review (during recruiting process). Airbrushing and spray-gun skills. Good working knowledge of various substrates, materials, and paints including silicone, automotive-paint systems and black light paints. Draw well. Use basic tools required of a Pictorial Artist. Do brush blending. Transform flat surfaces to a dimensional appearance with shading and highlighting. Good working knowledge of water-based paints (primarily used at Disneyland® Resort). Experience color mixing and matching. Fine-line and detail brush skills. Capable of free-hand painting of pictorials - realistic or cartoon. Graphics and lettering skills.

Strong knowledge of the entire paint process (stripping, prep, priming and finishing).
